## General Stanley McChrystal, Former Commander of Joint Special Operations Command (JSOC), US Forces in Afghanistan and Leader of McChrystal Group Joins Liquidax Capital as a Senior Advisor

**April 14, 2017 (Charleston, SC)** Liquidax Capital, LLC today announces that General Stanley McChrystal has joined the firm as a Senior Advisor on its Advisory Board.

Gen. McChrystal founded McChrystal Group in January 2011 to deliver innovative leadership solutions to American businesses to help them transform and succeed in challenging, dynamic environments. He advises senior executives at multinational corporations on navigating complex change and building stronger teams.

A retired four-star general, Stanley McChrystal is the former commander of US and International Security Assistance Forces (ISAF) Afghanistan and the former commander of the nation's premier military counter-terrorism force, Joint Special Operations Command (JSOC). He is best known for developing and implementing a comprehensive counterinsurgency strategy in Afghanistan, and for creating a cohesive counter-terrorism organization that revolutionized the interagency operating culture.

Throughout his military career, he commanded a number of elite organizations, including the 75th Ranger Regiment. After 9/11 until his retirement in 2010, he spent more than 6 years deployed to combat in a variety of leadership positions. In June 2009, the President of the United States and the Secretary General of NATO appointed him to be the Commander of US Forces Afghanistan and NATO ISAF. His command included more than 150,000 troops from 45 allied countries. On August 1, 2010 he retired from the US Army.

General McChrystal is a senior fellow at Yale University's Jackson Institute for Global Affairs, where he teaches a course on Leadership. He also sits on the boards of Navistar International Corporation, Siemens Government Technology, and JetBlue Airways. He is a sought-after speaker, giving speeches on leadership to organizations around the country. In 2013, he published his memoir, *My Share of the Task*, which was a New York Times bestseller; and is an author of *Team of Teams: New Rules of Engagement for a Complex World*, which was a New York Times bestseller in 2015.

A passionate advocate for national service and veterans' issues, he is the Chair of the Board of Service Year Alliance. In this capacity, he advocates for a future in which a year of full-time service — a service year — is a common expectation and opportunity for all young Americans. General McChrystal is a graduate of the United States Military Academy at West Point and the Naval War College. He also completed year-long fellowships at Harvard's John F. Kennedy School of Government and the Council on Foreign Relations.

General McChrystal is serving as a Senior Advisor to Liquidax General Partners advising on operations, strategy, technology and leadership, as well as, supporting innovation investments made into portfolio companies of the firm.

Daniel Drolet, Managing Director at Liquidax stated "We are thrilled to welcome General McChrystal to the advisory team. With his tremendous leadership and business capabilities he will be invaluable to the Liquidax family overall.

## **About Liquidax Capital, LLC**

Liquidax is a US based alternative asset manager that sponsors & manages private equity innovation funds. We focus on making growth investments for small and mid-market public equities. Liquidax has created the “Innovation PIPE™” to invest high-quality and strategically correlated innovation assets from its intellectual property asset portfolio into small and midcap public companies globally. Innovation PIPE’s™ are transacted as traditional PIPE’s and provide portfolio companies with added opportunities for accelerated growth, competitive positioning, sector leadership and new business opportunities. The Liquidax Global Exchange Fund I, LP supports the rapidly growing “Internet of Things” (IoT) market.
